- Manufacturer: Rapisarda, Italy
- Assembled & Tested: Flexiflo Corp.– Jebel Ali, Dubai

#### ***Certification***

- Manufacturer’s Lloyds, Germanischer Lloyds & DNV approval certificates
- Hydro test Certificate – Flexiflo Corp.

All hoses will be tagged for identification and supplied with individual Test Certificates.

All the hoses assembled in the workshop are hydro-tested in accordance to SAE standards and complete records are maintained. Permanent Stamping on ends to ensure that unique part numbers can be maintained for traceability.

### Container Services

Self Contained 40' containerized services with cutting and swaging machines with stock of hoses, fittings and adaptors. These containers are equipped to crimp hoses at the Oil Field Base and is capable of swaging hoses from ¼" to 2". Presently we have 2 containers for Schlumberger in Egypt and 2 containers for National Oilwell in Jebel Ali.

### **Drill Water Supply Hoses**

We have an exclusive contract to supply Drill Water Supply Hoses in Land Rig Applications with PDO in Oman. The Hoses are manufactured in Norway and we can do a complete presentation on the same during the meeting.

### **Water Well Hoses**

Again these hoses replace conventional GI piping and are successfully being used and we can do a complete presentation on the same.
